CLASS INFORMATION

Palomar Audubon Society is again offering bird classes on consecutive Tuesday evenings beginning March 14, 2017. The first three classes will be for beginners and the last three (starting April 4) will be for intermediate birders. The classes will be integrated for beginners taking both classes. There will be three Saturday field trips, March 25, April 8, and April 22.

Classes will start at 6:30 Pm and run for 90 minutes. They will be held at the Glassman Recreational Center at 18448 RB Community Center Drive off West Bernardo Drive (the large Casa De Las Companas Retirement Home is on the east side of this intersection).

The classes will cover the classification of birds, field markings of local birds, behavior, vocalization, tracking, and the different habitats in San Diego County.

For questions about the course contact Audubon Conservation Chair, Richard Fowler at rcfowl@cox.net.

INSTRUCTOR INFORMATION

The course will be led by Phoenix Von Hendy, a long time birding leader in north San Diego County and a Certified Tracker Naturalist.
